

PHOTOGRAPHIC ACKNOWLEDGEMENTS

All infrared reflectograms – unless otherwise indicated – are property of the Stichting RKD (Netherlands Institute for Art History) in The Hague, which also holds the copyright.

The profile and construction drawings are made by Hubert Baija, except for the profile drawing of SK-A-1598, which is by Kees Schreuder (SRAL). 3D processing of all drawings was executed by Robert Glotzbach of *VisualConduct*.

The photographs were supplied by the museums and other institutions, and by private individuals mentioned in the captions, to which the following should be added:
